VISITOR CONSENT & LIABILITY WAIVER

Please read carefully before signing. By signing, you acknowledge you have read, understood, and agree to all terms.

1. Health & Safety

Visiting a working farm involves exposure to animals, livestock, outdoor terrain, and natural elements presenting inherent risks. All visitors must follow staff instructions. Visitors with known allergies, compromised immune systems, or respiratory conditions are advised to consult a healthcare provider before visiting. Please notify staff of medical conditions upon arrival.

2. Assumption of Risk & Liability Waiver

Misfit Farm & Sanctuary, Inc. expressly disclaims all responsibility or liability for injuries, illnesses, infections, or allergic reactions resulting from contact with animals, insects, plants, soil, or any element on the property — including bites, scratches, kicks, zoonotic diseases, slips/falls, or injuries from farm structures. By visiting, you voluntarily assume all risks and release Misfit Farm from any claims or legal actions.

3. Animal Interaction Policy

All animals deserve respect and dignity. Interactions must be gentle, calm, and staff-supervised. It is strictly prohibited to tease, annoy, disturb, harass, or irritate any animal. Violations may result in immediate removal without refund and may be subject to animal protection laws. Children must remain under direct adult supervision at all times.

4. Farm Grounds & Hiking Path

Visitors explore farm grounds and hiking paths entirely at their own risk. Terrain may be uneven, wet, or slippery — appropriate footwear required. Stay on marked paths and do not enter restricted areas. Misfit Farm & Sanctuary, Inc. is not liable for injuries sustained on any area of the property.
